

**Annual Primrose Walk
Easter Sunday, 4th April.
Leader: John J**

There's a long-held tradition for West Essex to walk at Pleshey over Easter. It's always a great pleasure to re-visit the lovely village and to follow the peaceful paths and bridleways. A key attraction at this time is the fine display of early Spring flowers including, of course, primroses. Whilst we can never be sure - two Easters back the whole area had deep snow cover - we should be able to enjoy Queen Victoria's favourite flowers at something like their best.
