We bussed again to the Rodopou Peninsula but this time we started at Kelissougeio. We went northwards and looking west we saw Gramvousa Peninsula over the Bay of Kissamos and then arrived at Ravdoucha. We consumed Kalitsounia pies at Giorgia's Kafention. Soon we were away over to the coast travelling south. A quick stop was taken at the tiny Agia Marina church, also there was a drinks break, which were all along a rocky hillside we took to the Sargos Taverna in Nopigia where we had drinks. We bussed back to Charnia.
